

Dear mr. Van der Hoeven,

Last week I've ordered two of your items. They were meant as presents for Christmas.

It was a great success. We have them all admired.

Many thanks for the excellent packing of the replicas.

And also for the very fast delivery, so that they arrived in time.

I wish you much success with your business.

Best wishes,

Madam Maaïke Mulder (Doorn – 8th December 2014)
